

Muppana Chiranjeevi

Email: chiranjeevimuppana982@gmail.com | Phone: +91 8309662316 | Location: Hyderabad, India

SUMMARY

Dynamic and results-driven **Automation Test Engineer** with **3.9 years** of experience in manual and automated testing across UI, API, functional, regression, and database migration projects. Proficient in **Selenium WebDriver, Playwright, REST Assured, TestNG, Jenkins, Azure, SQL, and Postman**, with deep knowledge of CI/CD integration and test automation frameworks. Adept at crafting detailed test plans and data-driven test scripts, collaborating cross-functionally, and applying Agile methodologies to deliver high-quality, scalable applications on time.

PROFESSIONAL EXPERIENCE

Infosys Limited — *Systems Engineer*
Nov 2021 – Present | Hyderabad, India

- Developed and implemented **automated test scripts** using **Selenium WebDriver, Java, and TestNG**, ensuring scalability and maintainability.
- Reduced post-release issues by 25% through rigorous UI, functional, and regression testing.
- Executed **API testing** using Postman, validating endpoints, requests, and responses for accuracy and reliability.
- Collaborated with **development, product, and design teams** to resolve critical defects, ensuring seamless user experience.
- Managed defect lifecycle in JIRA, ensuring timely resolution and verification before closure.
- Integrated automation into Jenkins CI/CD pipelines, accelerating deployment cycle
- Ensured on-time delivery of testing activities within agreed **SLA** through efficient planning and execution.

PROJECTS

Project Name: Dynamics for Microsoft & Dynamics for Consumer — Automation Testing

Client: Microsoft | May 2024 – Present

- Designed and maintained detailed test plans, suites, and cases ensuring complete CRM module coverage.
- Automated 300+ functional scenarios using Selenium WebDriver with Java, reducing regression cycle time by 40%.
- Performed end-to-end testing focusing on data integrity, performance, and security compliance, achieving 99% accuracy.
- Integrated automation scripts into Jenkins CI/CD pipelines on Azure DevOps, enabling continuous testing and faster deployments.
- Raised and reviewed pull requests to maintain code quality and industry best practices.

Project Name: Inessence Bank — Web Application Automation

Client: Internal Project (Infosys) | Feb 2024 – Apr 2024

- Automated critical functionalities (Login, Loan Calculation, Card Checking) using Selenium WebDriver with Java & TestNG.
- Implemented data-driven testing with TestNG Data Provider to validate multiple input scenarios.
- Reduced manual effort by 35% while ensuring stable and maintainable test coverage.
- Executed and maintained tests, tracked defects, and ensured consistent build quality.

Project Name: 3D Jewelers Model Cart Application

Client: Signet Jewelers | Jan 2022 – Jan 2024

- Automated UI tests using Selenium WebDriver with Java, improving execution efficiency by 50%.
- Conducted Sanity & Regression Testing across devices/browsers, achieving 95% rendering accuracy.
- Developed and executed test scenarios using JSON configurations for positive and negative validations.
- Verified cart operations, customization workflows, and checkout functionality during UAT

TECHNICAL SKILLS

- **Programming Languages:** Java (Core), Python
- **Automation Tools:** Selenium WebDriver, Playwright, REST Assured, Postman
- **Testing Frameworks:** TestNG, BDD Cucumber
- **CI/CD & Version Control:** Jenkins, Git
- **Databases:** SQL
- **Project Tools:** JIRA, Figma, Optimizely, Sauce Labs
- **Development Methodologies:** Agile, Scrum

CERTIFICATIONS

Microsoft Certified: Azure Fundamentals (AZ-900)

Credential ID: 9AD8250381C7CFB2 | *Certification Number:* 260A0E-43F3F7 | *Earned:* Mar 2025

Key Areas: Cloud Concepts, Azure Services, Azure Pricing, Azure Solution

EDUCATION

Bachelor of Technology (B. Tech) – Civil Engineering

MVGR College of Engineering, Vizianagaram, India | *Graduated:* July 2021

CGPA: 8.9 / 10.0

ACHIEVEMENTS

- Received **Insta Award** at Infosys for outstanding contributions.
- Led automation initiative reducing regression testing time by **40%**.

LANGUAGES

- English — Professional Working Proficiency
- Telugu — Native
- Hindi — Conversational
