Vizianagaram, Andhra Pradesh - 535217, India

SUMMARY

Detail-oriented and results-driven **Automation Test Engineer** with 3.9 years of expertise in **manual** and **automated testing**. Adept at designing and executing **test plans**, identifying defects, and ensuring the delivery of **high-quality software**. Proficient in **API testing**, **database migration**, and cloud technologies like **Azure**. Experienced in utilizing **Selenium**, **Playwright**, **Jenkins**, and **REST Assured** for optimized test automation and CI/CD integration. Skilled in working with **cross-functional teams** to deliver flawless user experiences and meet stringent project deadlines.

EXPERIENCE

Automation Test Engineer

Infosys Limited – November 2021 – Present

Project A: *Dynamics for Microsoft & Dynamics for Consumer – Automation Testing*

- **Designed** and **maintained** detailed test plans, test suites, and test cases, ensuring complete coverage for various CRM modules across different Lines of Business (LOBs).
- **Automated** over 300 functional test scenarios using **Playwright** with **TypeScript**, reducing regression testing cycle time by **40%**.
- **Performed end-to-end testing** with a focus on **data integrity**, **performance**, and **security compliance**, ensuring 99% accuracy in test results.
- **Collaborated** with development teams to integrate automated test scripts into **CI/CD pipelines** using **Jenkins**, streamlining continuous testing and accelerating deployment cycles.
- **Raised** and **managed pull requests**, ensuring adherence to code review standards and industry best practices.

Project B: Database Migration from DB2 to PostgreSQL

- **Extracted**, transformed, and migrated **2TB** of data from **DB2** to **PostgreSQL**, ensuring zero data loss and 100% migration success rate.
- **Converted** Oracle SQL scripts to **PostgreSQL-compatible** scripts, reducing migration time by **30%**.
- **Executed** scripts and imported data into PostgreSQL, maintaining 100% schema integrity.
- **Resolved compatibility issues** and performed **extensive validation** to ensure data consistency post-migration.

Project C: Testing for 3D Jewellery Model Rendering Application– Automation & Manual

- **Developed** and **executed** comprehensive test scenarios using **JSON configurations** to validate positive and negative test conditions.
- Conducted **Sanity** and **Regression Testing** across multiple devices and browsers, ensuring seamless rendering of customized 3D jewellery models with **95%** accuracy.
- **Automated** UI test cases using **Selenium WebDriver** with **Java**, improving test execution efficiency by **50%**.
- **Tracked** and **reported defects** in **Jira**, ensuring timely resolution and validation.
- Performed full-cycle **User Acceptance Testing (UAT)** and production testing, ensuring complete functionality and cross-browser compatibility.

EDUCATION

Bachelor of Technology (B. Tech) in Civil Engineering

MVGR College of Engineering, Vizianagaram, India – Graduated: July 2021

CGPA: 8.9/10.0

Higher Secondary Education (Class XII)

JVS Junior College, Vizianagaram, India – Completed: April 2017

Percentage: 98.2%

Secondary School Education (Class X)

Government High School, Nellimarla, Vizianagaram, India – Completed: April 2015

GPA: 9.2/10.0

SKILLS

Programming Languages: Core Java, Python, TypeScript

Testing Frameworks & Tools: Selenium WebDriver, TestNG, BDD Cucumber, Playwright

API Testing Tools: REST Assured, Postman

Database Languages: SQL

Testing Types: Functional Testing, Regression Testing, UI Testing, User Acceptance Testing (UAT)

Version Control & CI/CD Tools: Git, Jenkins (CI/CD pipelines)

Other Tools & Technologies:

- **Postman** (API testing and collections)
- **Git** (Version Control)
- **Jenkins** (Continuous Integration/Deployment)

CERTIFICATIONS

Microsoft Certified: Azure Fundamentals (AZ-900)

- **Credential ID:** 9AD8250381C7CFB2
- **Certification Number:** 260A0E-43F3F7
- **Earned on:** March 1, 2024
- **Key Areas:** Cloud Concepts, Azure Services, Azure Pricing, Azure Solutions

ADDITIONAL INFORMATION

Languages Known: English, Hindi, Telugu

Declaration:

I hereby commit to utilizing my skills, experience, and passion to contribute to the growth and success of your esteemed organization. I also seek to further develop my professional expertise and achieve my career aspirations. The information provided in this application is accurate to the best of my knowledge.
